JULY 2010

## The Delaware Office is Open

We're excited to announce that Dr. Homon's Delaware office opened June 15th! The new office is located at 580 Pennsylvania Avenue, directly across from Dempsey Middle School.

Just like in Powell, the Delaware office is state-of-the-art featuring: 3D x-ray imaging, paperless communication, and continued advancements in treatment to make orthodontics care-free. Patients can choose to visit either location. With our paperless technology, we can access all patient information from both offices.

Both the Powell and Delaware offices are staffed four days each week, Monday through Thursday and are open the same hours (*see sidebar on left*).

We are very excited about our new location! We look forward to continuing to provide the high level of care and convenience that you have come to expect from Dr. Homon and his staff.

# WHO'S IN THE . . . PATIENT SPOTLIGHT

## **CONGRATULATIONS BRITTNEY!**

Addelynn May was born on May 1st at 8:12 a.m. She was 7 lbs. 2 oz. and 19 1/2 inches long. Mom and baby are doing well!

## **EMMALEE RUMNEY**

Emmalee played basketball for the Benjamin Logan eighth-grade team called the Raiders. She was a high-scorer for the team leading with 21 points in one game. Way to go Emmalee!

## **MICHAEL MORTON**

Michael was named "Most Improved Player" last year while playing for Thomas Worthington's lacrosse team. He was the only player on his team to be invited to participate in the Nike elite camp this summer. Great job - keep up the hard work!

## **RACHEL BERNSTEIN**

Rachel, age 12, competes in many types of dance including: jazz, lyrical, musical theater and hip hop. At a recent regional competition, Rachel's team won two first place trophies and received the highest "platinum" score in juried competition. Great job Rachel!

# Staff Profile - Featuring Tessa Schramm

Tessa has worked for Dr. Homon for a year and a half. She works in both the Delaware and Powell offices, helping out with front desk responsibilities and scheduling appointments.

What a busy year! During the last school year, not only did Tessa work for Dr. Homon and attend Ruther B. Hayes High School, she also took college classes online. She graduated from Hayes this year and will attend

Wright State University in the Fall. She is one of 15 students chosen for direct admission into the Wright State Raj Sooin College of Business. (Way to go Tessa!)

Tessa's hobbies include snowboarding, texting and hanging out with friends.

Tessa has done a great job at the office and will be greatly missed next year when she's off to college!

## Getting to Know Dr. Homon . . .

Dr. Homon is the founder of the KidSMILES Pediatric Dental Clinic. The mission of the clinic is to provide quality dental care and education to children at an affordable cost to their families (\$10 per visit).

Since its inception in 2009, Dr. Homon has been working hard to make KidSMILES a reality. Starting a non-profit dental clinic in Ohio is not an easy task and requires a lot of paperwork. It's taken some time, but now that the proper documents have been approved by state and federal government agencies, we are ready to pursue the next steps to make KidSMILES a reality.

Currently we are raising money for the construction of the clinic which is scheduled to open Summer 2011. Visit [www.kidsmilesclinic.com](http://www.kidsmilesclinic.com) for more information about the clinic and upcoming fundraising events.

## Fonda's Financial Corner - \$\$\$

Regardless of where a patient began treatment, we can handle all financial and insurance questions or transactions from both the Powell and Delaware offices. We also accept payment at both offices by mail or in person. Whether you visit Powell or Delaware for treatment, your account can be managed and kept up-to-date.

However, there is a minor change to our online payment system. If you pay online, your account can be accessed in the same manner, but at the point of payment, you will be asked which office the patient primarily visits. No matter which office you select, the payment will be properly applied to your account.

As always, if you have any questions concerning you account please contact me at 614-932-9356 or 740-417-4985 or e-mail me at [fonda@drhomon.com](mailto:fonda@drhomon.com)
