## HOMON ORTHODONTICS CELEBRATES FIFTEEN YEAR ANNIVERSARY

Homon Orthodontics is celebrating our 15 year anniversary. In December of 1999, Dr. Homon opened his Powell office with zero patients and two employees. Over time, many things have changed and we are excited for what the future holds.

In the beginning years, there were no computers. Appointment scheduling was done in a notebook with a pencil in case anyone rescheduled. There were paper charts that constantly needed alphabetizing. We had a website because we thought it was cool, but had no idea how it would ever be useful. We were considered state of the art because we didn't use film to take pictures, instead we tried this crazy new technology called digital photography. Three-dimensional imaging was unheard of and we were on the cutting edge by taking x-rays digitally. Dr. Homon's hair was short and lacked any signs of gray.

Looking forward, the future of orthodontics is very bright. We are excited about implementing new technology in the future for the benefit of our patients. Soon we will be able to scan your teeth instead of taking those dreaded impressions. We will be printing models of your teeth on a 3D Printer instead of using messy plaster. We will also be able to make treatment even faster and more comfortable with advances in cold laser therapy. Also, look for us to incorporate new computer scans that allow us to create even more comfortable and balanced bites than ever before.

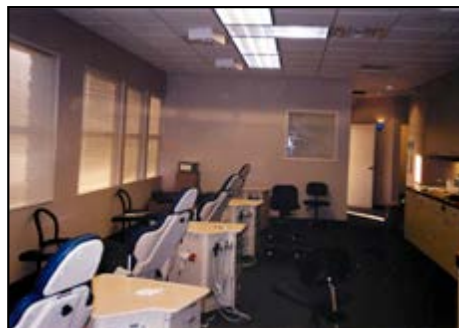

We want to thank all of our patients and their families for their support over the years. We look forward to exceeding your expectations in the future.

# WHO'S IN THE . . . PATIENT SPOTLIGHT

## **TRISTAN RENNER**

Tristan is a senior at Delaware Hayes High School and has made a commitment to serve his country in the United States Navy. He was sworn in September 5, 2014 and will ship out to Great Lakes, Illinois on August 3, 2015 for basic training. Tristan's career path in the Navy will be Aviation Ordnance. His family could not be more proud of his decision. Thank you for your service, Tristan.

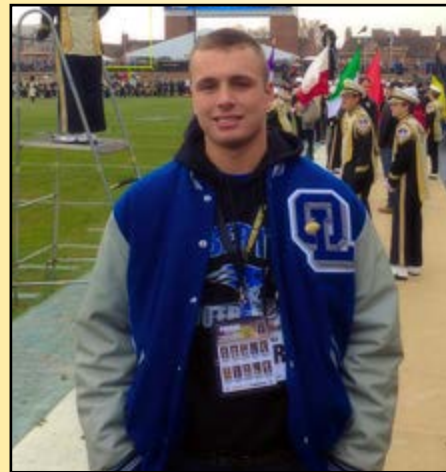

## **AUSTIN FREEMAN**

Austin recently donated 11 inches of his hair to make a wig for a 4th grader with alopecia. Austin spent 3 years growing his hair to the length needed to make the wig. By donating his hair, Austin saved the family a substantial amount of money - new wigs cost \$4000! What a kind thing to do, Austin!

## **TYLER CAMPBELL**

Tyler Campbell is in 6th grade. He plays fooball for the Hilliard Panthers. This year his team won the Northwest Football League Championship. Tyler is a cornerback and has been playing football since he was 5 years old. Congratulations, Tyler!

## **DREW ROSI**

Drew is a sophomore at Olentangy Liberty High School. He already has received a Division 1 Scholarship offer for football at The University of Toledo. What an accomplishment, Drew!

## Staff Profile - Featuring Denise Schmeitzel

Denise is a Scheduling Coordinator and has her x-ray certification.

Denise grew up in Westerville and still resides there today.

She has been married for 9 years. She has a Golden Retriever and they are considering getting a second to keep him company.

Denise is a very outgoing person and enjoys making other people

laugh. She has a huge heart and would do anything for her loved ones.

Her husband is a die hard Steelers fan and she was raised as a Browns fan so they are a divided house when football season comes around!

## Get to Know Dr. Carr

*Gemma is one year old*

Outside of the office, Dr. Carr spends most of her time chasing around her one-year old daughter, Gemma. She and her husband, Justin, also have two cats, Miles and Leela. Between all three "babies," Dr. Carr and her husband usually have their hands full!

In her free time, Dr. Carr enjoys traveling, reading, watching movies, and baking. She's also pretty skilled with a sewing machine. Most recently she sewed a crib-skirt, baby quilt, and even an owl doll for little Gemma (shown here).

## They've tied the knot!!!

Congratulations to Mike and Stacy Wilson on joining their hearts and families in a private marriage ceremony on January 9, 2015. Stacy is the scheduling coordinator in our Delaware office for the past 2 years and Mike is a member of the US Army, serving over 26 years. We could not be happier for them and wish the two a married life full of happiness, laughter, romance, and understanding.

They will be celebrating next month in beautiful San Francisco and Napa Valley!!

## Congratulations!

Homon Orthodontics welcomed its newest member on January 7th at 2:09 pm, Clifford Jordan (Jordy) Walker, born to Brittney and Cliff. He weighed in at 6 lbs. 13 oz. and 19 inches long. His big sister Addie is a huge help and loves her baby brother so much! Welcome to the family, Jordy!
